

## Resources on Traumatic Brain Injury (TBI)

Your health care providers give you a lot of great information to help you stay as healthy as possible. But sometimes you have more questions than your provider has time for answers. Here are some resources you can use to learn more about traumatic brain injury. Use the worksheet on the back to prepare for your clinic visit.

## Books

Check with your local VA hospital or public library to find good titles on Traumatic Brain Injury.

## You and Your Health Care Team

**You** are a key part of your health care team, and it is important to tell your team members what they need to know to treat you correctly. To make the most of your visits, fill out this worksheet and share it with your health care team at the **beginning** of your visit.

I am here today because: \_\_\_\_\_
